

SAVE THE DATE FEBRUARY 22, 2025

Join us for a fun hockey-themed night at C200 in support of Hospice Palliative Care Society of Cape Breton County programs. Wear your favourite jersey while paying homage to Cape Breton's rich hockey history!

Enjoy delicious pub-style food and participate in competitive games, trivia and more for a chance to win great prizes. You could win a trip for two to Montreal to see the Habs face off against the Avalanche! Prize includes flights, two-nights accommodation and tickets to the game!

HOCKEY NIGHT FOR HOSPICE

Palliative Care Society of Cape Breton County Fundraiser

Hockey Night for Hospice is one of our major fundraising events of the year!

This great event supports programming as identified by the Nova Scotia Palliative Care Service, and that meets needs as unique as the patients themselves.

The Society raises funds to support aspects of end-of-life care not included in provincial health care budgets such as music therapy, special home supports, personal needs and maintenance of the Hospice building and grounds. Our belief and practice is that community funds should always be used to sustain and expand programs that will make a difference for patients and families when needed most.
